

Photos of Natural Avalanche on Ernie Miller

Date

Sat, 02/10/2024 - 14:10

Activity

Skiing

Photos of a natural avalanche in the NE/E facing bowl of Ernie Miller Ridge. Likely happened in the last few days.

We saw one other small avalanche in the trees below the ridge too far for a decent photo.

Region

Southern Madison

Location (from list)

Ernie Miller Ridge

Observer Name

Zach Peterson
