Skier-triggered avalanche in Super Couloir

Date Wed, 11/06/2024 - 15:10 Activity Skiing

From IG Message: "Hey guys - my partner broke off a small avalanche in super <u>couloir</u> today... broke full depth across half the <u>couloir</u>, 2-3' deep/20' wide and looked like it ran around 500'. No one was caught. He might message you with pictures too but here's a video from the top"

Region Bridger Range Location (from list) Bridger Bowl
